Matt Florell, President

**Subject: St. Petersburg, Florida 2013 election for Mayor survey, conducted for SaintPetersBlog.com**

**Date: May 30, 2013**

**Executive Summary:**

This poll of registered City of St. Petersburg voters was conducted on Thursday, May 30, 2013. This poll used the registered voter lists supplied by the state of Florida as of May 3rd, 2013. The sample of voters that were called included random samples of registered voters within the city of St. Petersburg, Florida.

The issues surveyed included the 2013 race for Mayor, and other questions based on a defined set of three candidates in the 2013 race for Mayor, as well as the favorability of those three candidates.

**Methodology:**

The poll was conducted by an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the registered voter population in St. Petersburg. The demographics used were: party, race and age.

The voters polled were chosen at random within the registered voter population inside of the City of St. Petersburg. There were two different samples used for this poll. The first sample includes a proportional sample of all city voters. The second sample includes only Black, non-Hispanic city voters.

The scientific results shown in the summaries below have their sample size and margin of error shown at the top of each sample section. All Margin of Errors are at a 95% confidence level.

## Summary of Scientific Results:

### ALL CITY VOTERS

428 Respondents, 4.7% Margin of Error

### BLACK, NON-HISPANIC VOTERS ONLY

325 Respondents, 5.4% Margin of Error

**If the election for Mayor of St. Petersburg were held today, would you vote for Anthony Cates, Paul Congemi, Kathleen Ford, Bill Foster or Rick Kriseman?**

Anthony Cates	3.2%
Paul Congemi	2.6%
