Subject: Duval County, Florida survey conducted for FloridaPolitics.com

Date: September 24, 2020

Executive Summary:

This poll of 749 likely Duval County, Florida voters was conducted on September 24, 2020. This poll used the registered voter lists supplied by the state of Florida as of August 4th, 2020. The sample of voters that were contacted included random samples of registered voters within the boundaries of Duval County, Florida.

The issues surveyed included questions related to the November election in Duval County, Florida.

Methodology:

The poll was conducted through an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active voter population for Duval County, Florida. The weighting demographics used were: political party, race, age and gender.

Only voters who had stated that they were likely to vote in the November 2020 election were included in the results.

The scientific results shown for the questions below have a sample size of 749 and a 3.6% Margin of Error at a 95% confidence level.
